CHW Announces James “Jim” Condon As CHW’s Director of Surveying in Southwest Florida

Gainesville, Ocala, Jacksonville, Fort Myers, FL – CHW Professional Consultants, a leading planning, ecological, surveying, engineering, landscape architecture, and construction services firm is proud to announce James Michael Condon, PSM, as Director of Surveying + Mapping, leading our Southwest Florida office.

James is a Professional Surveyor and Mapper with over 33 years of experience in the private and public sector, overseeing the production of ALTA/NSPS land title surveys, boundary and topographic surveys, geodetic control surveys, as-built surveys, elevation certificates, and FDOT right-of-way and control mapping. As Director of Surveying + Mapping at our Ft. Myers office, he will provide strategic oversight and direction to help expand CHW’s diverse service offering to Southwest Florida markets.

“We are thrilled to have James as a member of the CHW leadership team,” said Dave Dagostino, PSM, Vice President. “His extensive 20 years’ experience with FDOT right-of-way and control mapping will enhance our capabilities to provide quality service to our clients. James’ experience in project management and office support makes him an excellent leader for our Southwest Florida office. ” Prior to joining CHW in January, James worked with Dave for seven years as a Florida Professional Surveyor and Mapper with Dagostino Geospatial, Inc.
